

Scholarship Application

Semester One: Rolling Application

Semester Two: Due by December 1st

Here at Impact School of the Arts, it is important to us that no student or family is turned away because of financial hardships. If you are able to afford classes, please refrain from applying your student to these programs so that we can reserve them for those who are truly in need. For those of you who are in need, whether it's just for a semester, or for all of your years with us, please do not hesitate to apply. We seek to bring all young people into our programs so that they can grow in the arts through faith and in faith through the arts! While we do not promise that your financial request will be met, we work very hard to assist each family in some way. Families must apply for a scholarship each semester.

Apprenticeship

Upper Level or Second(+) year students are able to apply for an apprenticeship position. Apprenticeships are about assisting the instructor during class, demonstrating for the instructor when asked, and leading by example. For this reason, student apprentices will be older than the students in the classes they are assigned. There will be no student apprenticeships for the Level 3 classes. College-age students will have the opportunity to volunteer in this position.

We care deeply about discipleship here at Impact School of the Arts. Our Instructors will use this opportunity in arts classes to train and disciple apprentices in what it means to be a leader, a teacher, and to be fearless in their faith.

For each hour long class a student will apprentice, they will receive one hour long class free. For each half hour long class they apprentice, they receive either a half hour class free, or half off an hour long class tuition. Please check which option is *necessary* for your student's involvement. For example, if your student cannot participate unless they receive an hour long class apprenticeship - ONLY check 'Hour long class apprenticeship'. But if any sort of help would be beneficial, though an hour long apprenticeship is not necessary, feel free to check them all.

Remember that not all Apprenticeship applications will be accepted because there are only so many opportunities available. If more financial assistance is needed, please also apply for the scholarship opportunities below.

How to apply:

Students: Please write a paper (no more than one page) on why Impact School of the Arts is important to you. Why do you want to participate in ISOTA in a leadership position? How will your passion for the arts and faith overflow in your leadership to students younger than you?

	Half hour long class apprenticeship
	Hour long class apprenticeship

Scholarship

Parents: Please check which option is *necessary* for your student's involvement. For example, if your student cannot participate unless they receive a full scholarship - ONLY check 'Full scholarship'. But if any sort of help would be beneficial, though a full scholarship is not necessary, feel free to check them all.

Remember that not all Scholarship applications will be accepted because there are only so many opportunities available. We will serve those who have the greatest needs and do our best to accommodate as many people as possible.

How to Apply:

Students: Write a paper (no more than one page) on why you are passionate about the arts! Share a testimony of how the arts have impacted your life in a positive way. Then tell us why furthering education in the arts is important to you. There are no right or wrong answers to these questions, we truly just want to get to know you and why your heart beats for art!

	Partial scholarship for half hour class ($\frac{1}{3}$ tuition funded)
	Half scholarship for half hour class ($\frac{1}{2}$ tuition funded)
	Full scholarship for half hour class (full tuition funded)
	Partial scholarship for one hour class ($\frac{1}{3}$ tuition funded)
	Half scholarship for one hour class ($\frac{1}{2}$ tuition funded)
	Full scholarship for one hour class (full tuition funded)
