

Beyond Us

BUILDING A LEGACY
OFFAITH THAT OUTLIVES US

A Letter From Our Lead Pastor

BILL BALBACH

Impact Lead Pastor

DEAR IMPACT FAMILY,

I've never thought of Impact as an ordinary church. For the past 25 years, I've had the privilege of serving alongside people who are incredibly generous, creative, compassionate, and deeply committed to Jesus. We're not a perfect church, but we are a church with extraordinary potential. It would be easy to become satisfied with what we've accomplished together. But I believe God is calling us to something more.

The past few years have been a season of preparation - a time of strengthening our foundation and seeking God's direction. Through that process, He has given us renewed clarity around our mission, our lifetime vision, and our 2031 Vision: to see a Kingdom-building movement of people helping others know, love, and follow Jesus throughout the Airport Seven and beyond.

Whoever believes in me will do the works I have been doing, and they will do even greater things than these...”

JOHN 14:12

If I'm honest, there have been moments when I've been tempted to make the vision smaller - to keep it within the boundaries of what feels comfortable, predictable, and achievable. But the Holy Spirit keeps reminding me that comfort has never been the goal of the Church. God has placed Impact here for such a time as this. He is preparing a harvest, and He is calling us to faithfully steward the opportunities He is placing before us. Again and again, I sense Him saying, don't stay where it's comfortable. Step out. Be My light.

The words of Jesus continue to echo in my heart:

“Whoever believes in me will do the works I have been doing, and they will do even greater things than these...”

John 14:12

I believe God calls His people to dream God-sized dreams, to take faith-filled steps, and to trust Him for what only He can accomplish. I believe He is calling and resourcing Impact for a harvest that will leave a legacy far beyond us.

That's why I'm asking you to join me in praying for more.

More people finding hope. More families transformed. More disciples made. More lives changed by the power of Jesus.

I want to be part of a movement so unmistakably led by God that when we look back, the only response is to stand in awe and give Him all the glory.

Together, let's ask God for more.

Together, let's step out in faith.

Together, let's prepare for the harvest He is bringing.

And together, let's build something that will outlive us - a Kingdom movement that transforms the Airport Seven and beyond for generations to come.

Let's create a movement that lasts
BEYOND US.

Beyond Us Campaign to Prepare In Faith for the 2031 Vision.

FROM A DREAM TO A VISION -

What's Beyond Us?

What's Beyond Us?

Beyond Us is about taking a step of faith that depends completely on the Spirit of God to lead us through His faithfulness, sovereignty, and goodness. As God blesses us, we become a blessing to others.

Beyond Us is about faithfully answering Christ's call to be His Church. It is an invitation to experience the soul-stretching joy of joining a Kingdom mission - giving living proof of a loving God to the Airport Seven and beyond.

Beyond Us is about becoming a transformational church that transforms the communities around us. It is an opportunity to shape the next chapter of Impact's story, leaving a legacy that reaches future generations with the hope of Jesus.

How Will Beyond Us Happen?

Together, we'll pray like never before.

Seeking God's presence, power, and direction in everything we do.

Together, we'll engage in the mission and give like never before.

Investing our time, talents, and resources so more people can know, love, and follow Jesus.

Together, we'll love and invest in the next generation like never before.

Building a lasting Kingdom legacy that will impact the Airport Seven and beyond for generations to come.

Building Together

Living out our mission means building bridges that help people know, love, and follow Jesus. As we faithfully live out that mission together, we believe God will create a Kingdom-building movement that transforms lives throughout the Airport Seven and beyond.

We pursue that mission through three core values:

- **Pursue** God Passionately
- **Build** Community Intentionally
- **Share** His Hope

These values shape everything we do as we seek to see a Kingdom-building movement flourish across every community, every generation, and every stage of life.

LOCAL KINGDOM BUILDING

We are committed to expanding God's Kingdom right here at home by strengthening the ministries of The Landing, creating meaningful in-person and digital connections with all generations, and launching missional communities that bring the hope of Jesus to our neighborhoods. Our desire is to meet people where they are, love them well, and help them take their next step toward Christ.

GLOBAL KINGDOM BUILDING

Our mission reaches far beyond our local community. Through strategic partnerships with ministries around the world, we are investing in Kingdom-building initiatives that proclaim the Gospel and make disciples among the nations. As God provides, we will continue to expand our generosity and pursue innovative ways to support the work of His Kingdom across the globe.

FUTURE KINGDOM BUILDERS

We are passionate about investing in the next generation of Christian leaders. Our vision is to raise up devoted followers of Jesus who make disciples that make disciples. Through intentional mentoring, biblical teaching, leadership development, and hands-on ministry opportunities, we will equip future leaders who love God's Word, pursue Jesus wholeheartedly, and are committed to reaching the lost with the hope of the Gospel.

Together, we are building more than a church. We are joining God in creating a Kingdom-building movement that will impact the Airport Seven and beyond for generations to come.

Why is this important?

GOD IS ON THE MOVE

The airport corridor is quickly becoming one of the fastest-growing regions in Western Pennsylvania. Millions of dollars are being invested in new infrastructure, businesses, and neighborhoods, creating unprecedented opportunities for the future.

Right in the heart of that growth sits Impact Christian Church.

When we moved into this location more than eight years ago, we could never have imagined what God had in store. Looking

back, it's clear that this wasn't an accident - it was God's providence. He planted us here for such a time as this.

We believe God is preparing a harvest, and with that harvest comes a sense of urgency.

The Apostle Paul writes:

“How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent?... ‘How beautiful are the feet of those who bring good news!’”

Romans 10:14–15

What a powerful picture.

God is bringing a harvest, and He is calling us to be the people who carry the good news of Jesus into our communities. How beautiful are the feet of those who go.

But alongside this urgency is an equally strong sense of expectancy.

God is already at work.

Across the country, we are seeing signs of spiritual renewal. Millennials are returning to church in significant numbers, and Generation Z - while often described as the first post-Christian generation - is proving to be one of the most spiritually open generations in recent history. Many are skeptical of religion, yet deeply curious about Jesus and hungry for authentic faith.

There is hope.

The Holy Spirit is stirring hearts. People are searching for purpose, truth, and hope. God is drawing people to Himself, and we have the incredible privilege of joining Him in what He is already doing.

Simply put...

God is on the move.

Now it's our turn to move with Him.

This is not a time to sit on the sidelines. This is a time to pray boldly, love generously, give sacrificially, and faithfully proclaim the hope of Jesus.

The harvest is ready.

Vision

Help people know, love, and follow Jesus.

Mission

To see a Kingdom-Building movement in the Airport Seven.

Values

Pursue God. Build Community.
Share His Hope.

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

2 CORINTHIANS 9:7-8 (NIV)

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

MATTHEW 28:19-20 (NIV)

LEAVE a Legacy for the Next Generation.
Invest today so future generations can know, love, and follow Jesus.

FUEL a Kingdom-Building Movement.
Together, we are creating a transforming Kingdom movement throughout the Airport Seven and beyond.

PREPARE in Faith for the 2031 Vision.
Step forward in faith today to build the foundation for all God is calling us to accomplish by 2031.

“Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.”

EPHESIANS 3:20-21 (NIV)

Kingdom-Building Movement in the **Airport Seven**

KINGDOM BUILDING MOVEMENT

Transformation, people
transforming culture by
knowing, loving, following
Jesus.

“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.”

ACTS 1:8 (NIV)

AIRPORT SEVEN

The seven school
districts that make
up the airport area.

When We Build Together

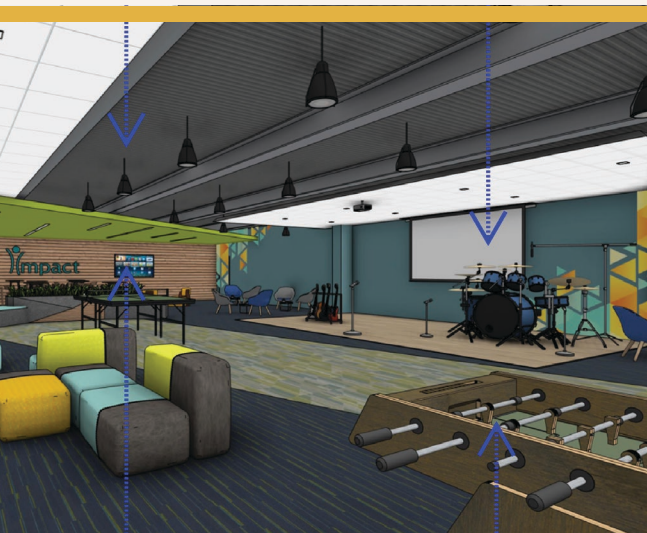

Building together isn't about equal gifts - it's about equal sacrifice.

God has never asked every person to give the same amount. He asks each of us to faithfully give what He has entrusted to us. Building Together is about every person doing their part - not out of pressure or obligation, but out of a joyful desire to join in what God is doing through Impact and in the lives that will be changed because of it.

When each of us faithfully takes our next step, God does what only He can do. He takes our individual acts of obedience and multiplies them for His glory.

Much like the power of compound interest, there is a compounding spiritual impact when God's people step out in faith together. One act of generosity inspires another. One life changed leads to another life changed. One step of obedience becomes the catalyst for a Kingdom movement.

This is how God works.

As each person does their part, **“the whole body...grows and builds itself up in love, as each part does its work”** (Ephesians 4:16). And as we are strengthened together, we become Christ’s witnesses, empowered by the Holy Spirit to bring the hope of Jesus to our communities and to the ends of the earth (Acts 1:8).

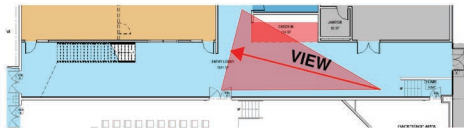

When we build together, we don’t simply accomplish more.

We experience the joy of watching God multiply our faithfulness into something far greater than any of us could accomplish alone.

“

And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ”

A Journey To An Extraordinarily Generous Life

As you pray and listen for God's invitation to live a generous life, use this journey as a guide. Let God challenge you to open your heart, your hands, your home, your resources, and your life for His Kingdom.

- Generosity is about more than money - it's about our whole life.
- Generosity is a response to the generosity of Jesus.
- Generosity positions us to participate in what God is doing.
- Extraordinary generosity is simply the next step beyond our ordinary.

1. OPEN YOUR HEART

Your ordinary may have been living primarily for yourself. But God invites you to open your heart and your life to something bigger—His Kingdom.

Jesus has given everything for us, and when we understand His generosity toward us, our hearts begin to change. We move from asking, *"What do I have?"* to asking, *"God, how can You use what You've entrusted to me?"*

A generous life begins when we surrender ourselves to God and become available to His purposes.

? Am I ready to open my heart and my life to what God wants to do through me?

2. PRACTICE GENEROSITY

Your ordinary may have been occasional generosity. But generosity becomes a way of life when we intentionally practice it.

Generosity grows as we practice it. We learn to give our time, our resources, our encouragement, our homes, our abilities, and our finances for the sake of others and the mission of Jesus.

As we practice generosity, we become less focused on what we can keep and more focused on what God can do through what we give.

? Where is God inviting me to practice generosity?

3. PARTNER IN THE MISSION

Your ordinary was generosity for yourself and those closest to you. Now your heart is beginning to see something bigger—the Kingdom of God.

God has given each of us a part to play in His mission. We don't give simply to maintain what already exists. We give so that **people can know, love, and follow Jesus.**

When we become partners in the mission, our generosity helps build community, share the hope of Jesus, raise up disciples, reach our neighbors, impact the Airport Seven, and advance the Gospel beyond us.

? How is God inviting me to use what He has given me to partner in His mission?

4. EXTRAORDINARY GIVER

Your ordinary was partnership. But your heart senses God inviting you to take another step.

Extraordinary generosity happens when we trust God enough to move beyond what is comfortable and predictable.

It may mean giving more.

It may mean giving differently.

It may mean giving your time.

It may mean opening your home.

It may mean serving someone who can't give anything back.

It may mean saying yes when God asks you to step outside your comfort zone.

Extraordinary generosity isn't about impressing God. **It's about trusting God.**

? What is God asking me to do that is beyond my ordinary?

5. ALL-IN KINGDOM GIVER

Your ordinary was generosity. Your extraordinary was obedience. Now your life is becoming an offering to God.

The goal isn't simply to become a better giver. **The goal is to become a fully surrendered follower of Jesus.**

When we live open-handedly, God can use our lives to accomplish things we could never accomplish on our own. Our generosity becomes part of something bigger than us—a Kingdom-building movement that reaches people with the hope of Jesus and leaves a legacy for generations to come.

We aren't just building something for us.

We're building something that will live beyond us.

? How can I live more fully surrendered to Jesus and His Kingdom?

Beyond Us

Your Opportunity

Take an honest look at your life. Where is God inviting you to take your next step toward generosity?

Pray. Listen. Open your hands.

Ask God what He wants you to release, what He wants you to receive, and what He wants to do through you.

Because a generous life isn't about what we give up.

It's about what God can build through us.

One life.

One church.

One mission.

A Kingdom-building movement.

Our Beyond Us Prayer

God,

Everything we have and everything we are belongs to You. You have placed Impact in this community for such a time as this, and You have called us to help people know, love, and follow Jesus throughout the Airport Seven and beyond.

Open our eyes to see the harvest You are preparing.

Help us see the people behind the vision—children who will discover Your love, students who will build their lives upon Your truth, families who will find hope and healing, neighbors who will experience genuine community, and people who will surrender their lives to Jesus.

We believe You are already at work. Awaken hearts to the Gospel, draw people to Your Son, and send workers into Your harvest. Give us the courage to answer, “Here we are, Lord. Send us.”

Lead each of us beyond what is comfortable.

Take us **BEYOND ME**—beyond our personal preferences, fears, and limitations. Teach us to

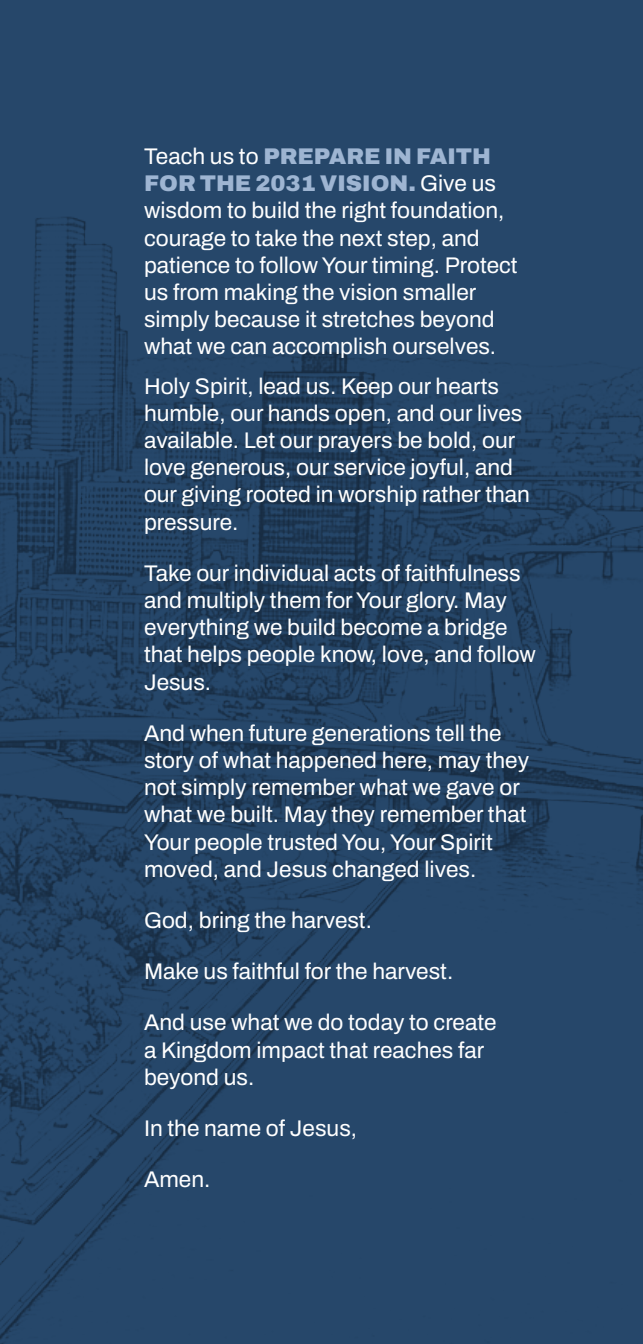

surrender what You have entrusted to us and to faithfully offer our time, talents, influence, and resources for Your purposes.

Help us live **BEYOND TODAY**—trusting that every prayer, every gift, and every step of obedience can become a seed of faith whose fruit we may not immediately see. Keep us faithful in the present as we prepare for the future You are unfolding.

Use our obedience to accomplish something **BEYOND US**—a Kingdom legacy that outlives us, reaches future generations, and carries the hope of Jesus farther than we could ever go on our own.

Lord, help us **LEAVE A LEGACY FOR THE NEXT GENERATION**. May the investments we make today prepare the way for children, students, families, and future leaders to know, love, and follow Jesus.

Use us to **FUEL A KINGDOM-BUILDING MOVEMENT**. Unite us around Your mission and multiply our faithfulness until lives are transformed, disciples make disciples, leaders are raised up, churches are planted, and communities experience the love of Christ.

Teach us to **PREPARE IN FAITH FOR THE 2031 VISION**. Give us wisdom to build the right foundation, courage to take the next step, and patience to follow Your timing. Protect us from making the vision smaller simply because it stretches beyond what we can accomplish ourselves.

Holy Spirit, lead us. Keep our hearts humble, our hands open, and our lives available. Let our prayers be bold, our love generous, our service joyful, and our giving rooted in worship rather than pressure.

Take our individual acts of faithfulness and multiply them for Your glory. May everything we build become a bridge that helps people know, love, and follow Jesus.

And when future generations tell the story of what happened here, may they not simply remember what we gave or what we built. May they remember that Your people trusted You, Your Spirit moved, and Jesus changed lives.

God, bring the harvest.

Make us faithful for the harvest.

And use what we do today to create a Kingdom impact that reaches far beyond us.

In the name of Jesus,

Amen.

“

Use what
we do today
to create a
Kingdom
impact that
reaches far
beyond us.”

My Generous Life

FORGIVENESS

Christ's gift of forgiveness on the cross shows us what a generous life looks like. We have been forgiven freely, and because we have received such extravagant grace, we can extend that same grace to others. Forgiveness frees our hearts from bitterness and makes room for the generosity of Jesus to flow through us.

Who do I need to forgive so my heart can be free to live generously?

SHARING JESUS

A generous life doesn't keep the hope of Jesus to itself. As we trust God more deeply, we can open our hands, our lives, and our stories to others. Jesus calls us to be His witnesses—to pour out His love and share His hope wherever He sends us. Every conversation, relationship, and opportunity can become part of the Kingdom-building movement God is creating through His people.

Who is God placing in my life that I can share the hope of Jesus with?

HOSPITALITY

Generosity makes room for people. Jesus welcomed people, shared meals, entered homes, and created space for people to encounter God's grace. Hospitality is more than opening our homes—it is opening our lives. When we make room for others, we create opportunities for relationships to grow, community to form, and people to experience the love of Jesus.

Who can I make room for so they can experience the love of Jesus through me?

CONTENTMENT

A generous life begins with an open heart, not a full closet. The world constantly tells us we need more—more stuff, more comfort, more experiences. But Jesus invites us to find our contentment in Him. When we are satisfied in Christ, we can hold our possessions loosely and use what God has entrusted to us to build His Kingdom and bless others.

What can I release so I have more freedom to invest in what matters eternally?

EXTRAORDINARY GENEROSITY

Kingdom-building generosity goes beyond what is comfortable, convenient, or ordinary. Because Jesus gave extravagantly for us, we can ask God where He is inviting us to give extravagantly for His Kingdom. Extraordinary generosity may be financial, relational, sacrificial, or simply saying yes when God prompts us to step outside our comfort zone.

What is my next step of extraordinary generosity to help build God's Kingdom?
